

This document lists the cities where the AIAKOS Programme is organised to give interested candidates an idea of where the exchanges might be held.

Countries with several locations (*) will confirm the exact city as soon as possible.

All participants should wait to receive information from the host institution before undertaking any financial commitment. The EJTN is not responsible for additional costs due to incorrect bookings. The EJTN cannot be held accountable for unforeseen events (strikes, transport delays or cancellation, last-minute itinerary changes, ...) that are outside the organisation's control.

More info and contact about the institutions can be found on the EJTN website at <https://ejtn.eu/members/>.
